

Call for sponsorship - Workshop 'Innovative solutions toward the EU bioeconomy' (7 June 2023)

The International Platform of Insects for Food and Feed (IPIFF), the EU umbrella organisation for the insect producing sector, organises an **online workshop** entitled: '*Innovative solutions toward the EU bioeconomy: The contribution of the insect sector to strengthening circular value chains in rural areas*' on the **7th of June** (from 2 pm until 4 pm – CEST). This event opens the possibility for participating organisations/companies to profile their entity and its activities through **associated sponsorship**.

Our sponsorship package offers you the possibility to **display your company/organisation information** (i.e. logo and company description) on the following IPIFF communication materials:

- the programme of the workshop;
- the IPIFF website (e.g. through a dedicated webpage bearing the logo and description of your organisation/company);
- social media platforms (a post referring to your organisation/company will be released every week);
- other correspondences related to the event (e.g. announcements via the Mailchimp platform)

Furthermore, your company/organisation will be mentioned in the **introductory speech** and **concluding speeches** of the event.

There are two applicable sponsorship fees for this event:

- 1. IPIFF Members: 500 €;**
- 2. Non-IPIFF Members: 750 €.**

For any questions on this sponsorship package and/or on this workshop, please get in touch with us via email - christophe.derrien@ipiff.org . We look forward to welcoming you to this online event on the 7th of June.
